**UNOPPOSED MOTION FOR  
FINAL APPROVAL OF CLASS ACTION SETTLEMENT**

Plaintiffs, William Woods, Katerina Bobay, and David Bobay, by counsel, under Indiana Trial Rule 23(E), respectfully move the Court, at the final approval hearing scheduled for May 13, 2024, at 2:00 p.m., to enter the tendered Final Approval Order granting final approval to the class action Settlement of this matter, valued at \$5,100,000. The Court previously granted preliminary approval to the Settlement on January 10, 2024; the Settlement Administrator sent Court-approved notice to the Class Members; the deadline for Class Members to object or opt out passed on April 19, 2024; and out of 28,842 Class Members, not a single person has objected to or opted out of the Settlement. The Court should therefore enter the Final Approval Order at the final approval hearing so that the Settlement can become final,

Class Members can receive the benefits of the Settlement, and this matter can be resolved by judgment on the Settlement.

Defendant does not oppose the granting of final approval.

Dated: May 1, 2024

Respectfully submitted,
